

TECHNICAL CIRCULAR

Our Ref: - 3/2021

Date: - 25/08/2021

Subject: - PSC Concentrated Inspection Campaign [CIC]

1. PARIS MoU and Tokyo MoU

Introduction

- Paris and Tokyo MoU launched Joint Concentrated Inspection Campaign [CIC] on Stability in General.
- This inspection campaign will be held for three months, commencing from 1 September 2021 and ending 30 November 2021. The campaign will examine specific areas related to the campaign in conjunction with the regular Port State Control inspection.

Purpose

The purpose of the campaign on ship's stability in general is:

- ✓ to confirm that the ship's crew are familiar with assessing the actual stability condition on completion of cargo operations before departure of the ship and on all stages of the voyage;
- ✓ to create awareness among the ship's crew and owners about the importance of calculating the actual stability condition of the ship on completion of cargo operations and before departure of the ship;
- ✓ to verify that the ship complies with intact stability requirements (and damage stability requirements, if applicable) under the relevant IMO instruments.

A ship will be subject to only one inspection under this CIC during the period of the campaign.

The copy of press release and questionnaire is attached for further information.
